

Dear Ohio Technology Leader,

Since 2005, the biennial Ohio Celebration of Women in Computing (OCWiC) has inspired and motivated college women to pursue careers in computing and promoted the recruitment, retention, and advancement of technical women in industry and academia.

OCWiC '23 welcomed 235 attendees representing 43 universities and tech companies across Ohio. Students had the opportunity to hear from both Industry and Academic leaders, learn about student research projects and their outcomes, and experience hands-on learning exercises on topics ranging from network administration and programming concepts to working on a team. We also hosted a career expo for students to meet representatives from various companies and graduate schools. OCWiC 2023 was a success, and we look forward to OCWiC 2025.

We invite you to join us as an OCWiC 2025 Industry Sponsor.

The dates of OCWiC 2025 will be February 21-22, 2023. The location returns to Sawmill Creek Resort on the shores of Lake Erie in Huron, OH, just an hour west of Cleveland. The Association for Computing Machinery's OCWiC ACM-W Professional Chapter organizes the event. More information about the ACM-W Chapter and previous celebrations can be found at [ocwic.org](https://ocwic.org).

As an OCWiC Industry Sponsor, you can:

- Demonstrate your leadership in the burgeoning Ohio technology community
- Emphasize your commitment to diversity, equity, and inclusion
- Promote your internship, apprenticeship, and early career programs
- Highlight good IT practices and cutting-edge initiatives
- Provide mentorship, networking, and visibility for technical women from your company

Please review the Industry Sponsor Benefits Table on the following page. Let me know if you will be an OCWiC 2025 sponsor and at what level. I will invoice you with payment instructions. We need sponsorship payments by **November 1, 2024** to plan for the conference effectively.

Don't hesitate to contact me if you have any questions. I look forward to your participation.

Sincerely,

Samantha Coats  
OCWiC 2025 Industry Sponsor Chair
